John 4:27-42

“The Work of God”

- 1.) What is the difference between being under conviction and a saving knowledge of Jesus Christ?**
- 2.) How is repentance more than being “sorry” for your sin?**
- 3.) What is the “work” of God?**
- 4.) Are there areas in your life where you “know” God’s will, but you have difficulty “doing” the will of God?**
- 5.) Since salvation is a work of grace alone according to God’s sovereign will, how is the duty to make disciples reconciled to Sovereignty?**
- 6.) In what ways does the Christian participate in the “work” of God? (2 Corinthians 5:20-6:2, Philippians 2:13, 2 Thessalonians 1:11-12)**
- 7.) Would you continue to proclaim the gospel if no one ever came to saving faith under your ministry?**
- 8.) According to verse 34 how does Jesus receive spiritual nourishment?**
- 9.) What area(s) of disobedience leave you feeling malnourished in the things of the Lord?**
- 10.) What if I am not a teacher, evangelist, can I still be engaged in the work of kingdom of God building? (1 Corinthians 12:12-30, Romans 12:3-8, Matthew 28:16-20)**
